

Leaders and Volunteers Needed for Historic Farmstead

TRENTON

Friends of Chrisholm announced on Friday, January 21, their "broad sweep" effort to identify individuals who might be interested in serving as volunteers and leaders for their non-profit group, Friends of Chrisholm. President Laura Konnert stated, "We are in need of community-minded individuals to help us with these and other projects." Konnert went on to say that their greatest need at this time is for individuals who are willing to serve in a leadership capacity as board members for the Friends of Chrisholm.

Individuals interested in our agricultural heritage, historic preservation, the Butler County Amish Mennonite settlement, and/or connecting to young people are particularly welcome as board members, said Konnert.

Friends of Chrisholm is a relatively young organization, having been organized in 1995 to support the restoration and transition of the Chrisholm Farmstead into a park and heritage center. The farmstead, representative of the Butler County Amish Mennonite Community is one of the MetroParks of Butler County and is located just south of Trenton at 2070 Woodsdale Road, 45067.

Volunteers are needed to help with various programs and projects.

Other positions that are available include but are not limited to:

- Horticulturalist to oversee a landscaping project.
- Docents to lead visitors through the Augspurger House.
- Persons interested in helping with activities during events and field trips.
